## About Junior Achievement

Junior Achievement is the nation's largest organization dedicated to giving young people the knowledge and skills they need to plan for their futures and make smart academic and economic choices. JA's programs focus on career preparedness, entrepreneurship and financial literacy.

JA programs are delivered by corporate and community volunteers, and provide relevant, hands-on experiences that empower students to make a connection between what they learn in school and how it can be applied to the real world.

During the 2019-2020 program year, we will reach more than 24,000 students in the greater Bridgeport, Valley, Stamford, Norwalk and Danbury areas. All JA programs are provided to students and schools free of charge.

## What is a Bowl-a-thon?

A bowl-a-thon works like a walk-a-thon, but instead of walking you are bowling. It is a great opportunity to get together for a fun afternoon or for a team-building event. A team can consist of anyone who wants to bowl, have fun and raise money for a good cause! Participants can include:

- Businesses
- Clubs/organizations
- Family & Friends
- Co-workers

### Team Size

5-6 people per team

### Make it fun

Challenge peers, other teams or departments to see who can raise the most money. Example: the one who raises the least, will have to buy lunch...you get the idea.

## Bowler Guidelines

### Who do I ask to contribute?

Anyone you know!

- Vendors
- Customers
- Business acquaintances
- Co-workers
- Family & Friends
- Neighbors
- Grocer, dry-cleaner, hair stylist...the list goes on!

### Cost

#### \$20 Registration fee per bowler

Each bowler is encouraged to raise a minimum of **\$100**. *Every bowler raising \$100 will receive a T-shirt and will be eligible for door prizes! Raffle tickets for additional prizes will be on sale the day of the event.*

### Where does my money go?

The money raised enables Junior Achievement to continue offering its programs to thousands of students by covering the cost of program materials, volunteer training and other administrative costs.
